OUR STORY

Alegria by PG Lite® started with a simple idea in mind: to create a stylishly comfortable shoe that brings you and your feet happiness. We give life to this idea by combining comfort with uniquely vivid prints for the everyday person. Whether you are looking at our Signature, Sandal, Professional, Career Fashion, or Boot Collection - there is something stylish and comfortable for everyone.

Our signature removable footbed is ergonomically designed to fit the natural contours of your feet; working to relieve your legs, hips, and back from long standing hours. Our secret is found in our slip-resistant mild-rocker outsole with our patented interlocking technology. The signature footbed contains our specially-formulated soft polyurethane, cork and memory foam, and is lined with supple leather.

Dream Fit™

The Alegria *Dream Fit*™ upper blends leather and open-cell neoprene to create the perfect fit your feet dream about. Each shoe is breathable and lightweight, durable and long lasting, and provides an accommodating upper in several of our styles.
